BIG DADDY LAUGH-A-LOT

“Hilarious,” “Original,” and “Motivating,” are just a few words to describe Comedian Big Daddy Laugh-A-Lot. His material is clever enough to tickle the funny bone of the most demanding comedy fan, yet relatable enough for anyone to enjoy. He started his career unknowingly after he was asked to fill in as a host at an event he was attending. Before he knew it, the crowd started laughing continuously and by the end of the day he was asked to host another event as a comedian.

Comedian Big Daddy Laugh-A-Lot, whose name is Jerry Cooke, said “I always knew God was going to allow me to use my life experiences, love for people, and the passion to make others smile as a platform to bring joy around the world.” Through his contagious humor, outrageous insight, and refreshing perspective Comedian Big Daddy Laugh-A-Lot has shared the stage with Actor and Comedian Palmer Williams, Small Fry of BET AKA Small Fire, Vickie Winans, and Comedian and Actress Lisa Mills of Lifetime, to name a few. After competing in and winning the Award Winning Gospel Singer John P. Kee’s Showcase in 2012, he was personally asked to return to perform in his conference. Comedian Big Daddy has also performed with Rodney Perry, Antoine Scott of “Who Got Jokes,” Nikita B, Kashaun Perfect from Tru TV and Chris “Set It Off” Jones of BET, and many other well known comedians.

Comedian Big Daddy Laugh-A-Lot incorporates his journey of wholeness through his life decisions and weight loss, into his role as a comedian and motivational speaker. He makes sure, in every set in his ministry of comedy, that he effectively communicates the joy he found in the relationship he has with his personal savior Jesus Christ. Being anointed to do what he does makes Comedian Big Daddy Laugh-A-Lot one of the major forces in the comedy Industry today. Without a doubt, he stands and delivers pure comedy and humor that will leave a BIG impact on you.
